There are 400,000 reasons to support Issue 33, including 4,000 kids enrolled in Cuyahoga County’s Universal Pre-K program. Cuyahoga County’s universal pre-kindergarten (UPK) program supports families by:

- Offering preschool scholarships and resources to help them find the right preschool for their child
- Making sure that there are high-quality preschools available county-wide through funding that supports professional development and quality improvement in preschool programs.

Issue 33 will ensure that UPK can continue to make high-quality preschool affordable and accessible to more than 4,000 Cuyahoga County families per year.

Issue 33 is a small investment with a huge impact. If passed, Issue 33 would increase the current Health & Human Services levy by just 0.8 mills, costing property owners an additional $3.42 per month for every $100,000 in property value. Make sure you Vote FOR Issue 33 to support the UPK Program.

ISSUE 33 IS THE LAST ITEM ON THE BALLOT, BUT MAKE IT YOUR FIRST PRIORITY ON MARCH 17TH.
